FROM: James C. Porter, P.E., Director of Public Works 

SUBJECT: 20-Day Review Form for Record of Survey Maps and Corner Records

Section 8766 of the Professional Land Surveyors Act requires the County Surveyor to review Record of Survey maps and Corner Records within 20 working days of submittal, unless additional time is mutually agreed upon. The County Surveyor is committed to provide this service. However, staffing levels, budget constraints, and work intake fluctuations have hindered this service in the past. A) _____ I request that my Record of Survey map/Corner Record be reviewed by the County Surveyor within the mandated 20 working day requirement.

_____ A 20 working day review time is not critical, but I would like my Record of Survey map or Corner Record reviewed by _____ (Date).

_____ A 20 working day review at this time is not important to me. If my needs change, I will notify the County Surveyor in writing, requesting the review to be completed in a timely manner.
