

**County of San Mateo, Department of Public Works
San Carlos Airport ~ Half Moon Bay Airport**

**Affidavit of Compliance with
Hangared Aircraft Ownership Requirements**

I, _____, declare as follows:

1. I actively own an equal pro rata share (minimum 20%) or greater interest in a partnership, corporation, limited liability company and/or limited liability corporation named or known as _____ (hereinafter the "Entity").
2. The Entity owns aircraft make and model _____ with FAA Registration Number _____ (hereinafter the "Aircraft"); and
3. The attached partnership agreement, articles of incorporation, management agreement or other document describing/prescribing ownership in the Aircraft (hereinafter the "Ownership Document" is the current operative document with respect to the ownership of the Aircraft; and
4. There are no other agreements and/or contracts exist (other than those provided to the County of San Mateo) that affect the undersigned's percentage or financial interest in the Entity or in the Aircraft; and
5. The Entity is currently listed as being in good standing with the Office of the Secretary of State for the State of _____; and
6. Any change and/or modification to the ownership or provisions of the attached Ownership Document shall be reported to the County of San Mateo no later than thirty (30) days after any change and/or modification becomes legally effective, and I undertake the responsibility to provide such a report to the County of San Mateo.
7. I will complete and submit a copy of this affidavit along with the Ownership Document annually to the County of San Mateo in accordance with *San Mateo County Airports Policies and Procedures for Hangars, T-Shades, Tiedowns and Waiting Lists* dated February 13, 2008, or as amended in the future.

I declare that the foregoing statements are true and correct and that any misrepresentations, omissions or non-compliance with the statements and representations contained herein shall be sufficient grounds for the immediate termination of the hangar permit for which this affidavit is provided.
