Companies with experience in servicing government agencies are encouraged to submit proposals.

A. Questions, Comments, Exceptions

Submit questions, comments, and exceptions, including notifications of apparent errors, to gjjohnson@smcog.org site by the Deadline for Questions, Comments and Exceptions. Questions and comments received after the deadline may not be acknowledged.

(1) Request for changes

If requesting changes to a part of this solicitation, identify the specific words or phrases and the sections and paragraphs in which they occur. State the reason for each request and provide alternative suggested language. Failure to submit requests by the deadline will be deemed a waiver of any exception. The County’s consideration of a suggestion does not imply acceptance. If sufficient proposals are received with no requested changes, the County may reject those requesting changes.

B. Revisions to the Solicitation

The County may cancel, revise, or reissue this solicitation, in whole or in part, for any reason. Revisions will be posted as addenda on https://publicworks.smcgov.org web site. Proposers are responsible for ensuring that they have received all addenda from Public Works.

C. Contact with County Employees

(1) As of the issuance date of this RFP and continuing until it is canceled or an award is made, no proposer or person acting on behalf of a prospective proposer may discuss any matter relating to the RFP with any officer, agent, or employee of the County, other than through Public Purchase, to the Authorized Contact Person, or as outlined in the evaluation or protest procedures.

(2) Proposers may not agree to pay any consideration to any company or person to influence the award of a contract by the County, nor engage in behavior that may be reasonably construed by the public as having the effect or intent of influencing the award of a contract.

D. Pre-proposal conference and site visits

If a pre-proposal conference or site visit is scheduled, answers to questions raised prior to and at the events will be posted on the County’s website.

(3) Specify any needs for physical space or equipment that the County must provide during the engagement.

(4) Explain how work, equipment, and knowledge will be transferred to the County or a new vendor at the end of the contract period.

(4) Include prices for the base period of service and if applicable, for each additional year including option years.

(3) Hand-written responses, whether or not submitted electronically, will be rejected, with the exception that signatures may be hand-written.

B. Errors in Proposals

The County will not be liable for any errors in proposals. Proposals may be rejected as unresponsive if they are incomplete, are missing pages or information, or cannot be opened for any reason. The County may waive minor irregularities but such waiver will not modify any remaining RFP requirements.

3.4 PROPOSER CERTIFICATIONS

By submitting a proposal, each proposer certifies under penalty of perjury that:

• Its submission is not the result of collusion or any other activity that would tend to directly or indirectly influence the selection process; and

• Proposer is able or will be able to comply with all requirements of this solicitation at the time of contract award; and

• Neither proposer, its employees, nor any affiliated firm providing the requested goods and services has prepared plans, specifications, terms or requirements for this solicitation, or has any other actual or potential conflict of interest; and

• Proposer is aware of the provisions of Section 1090 et seq. and Section 87100 et seq. of the California Government Code relating to conflict of interest of public officers and employees, and is unaware of any financial or economic interest of any County officer or employee relating to this solicitation.

3.5 WITHDRAWAL OF PROPOSALS

Proposals may be withdrawn, modified, or replaced at any time prior to the Due Date and Time. After that time, whether or not a new solicitation is issued for the same subject matter, withdrawal of a proposal may preclude the proposer from participating in the procurement as a proposer or subcontractor, except that an original equipment manufacturer may participate indirectly through a reseller.

3.6 NO COMMITMENT

Neither submission of a proposal nor the County’s receipt of proposal materials confers any right to the proposer nor any obligation on the County. This RFP does not commit the County to award a contract, nor will the County defray any costs incurred in preparing proposals or participating in any presentations or negotiations.

3.7 ESTIMATED QUANTITIES

If the solicitation results in an indefinite quantity or a requirements Agreement, the goods and services actually requested by the County may be less than the maximum value of the Agreement and there is no guarantee, either expressed or implied, as to the actual quantity of goods and services that will be authorized under the Agreement.

3.8 PROPOSER SELECTION

At any time in the evaluation process, the County may request clarifications from proposers.

A. Determination of Responsiveness

B. A responsive proposal conforms to the instructions set forth in this solicitation and any modifications to it.
Non-responsive proposals will be rejected. The County, in its sole discretion, may waive non-consequential deviations if the deviations cannot have provided an advantage over other proposers.

C. Proposal Evaluation

The County will establish an evaluation committee which will evaluate responsive proposals based on the criteria specified in the solicitation. The committee may then recommend one or more top-ranked proposers for final negotiation of contract terms, or may invite one or more proposers for oral presentations and demonstrations, following which those proposers may be allowed to amend their proposals. After evaluating presentations and amended proposals, the committee may recommend one or more top-ranked proposers for final negotiation of contract terms.

D. Determination of Responsibility

The County will make a determination of the responsibility of any proposer under consideration for award, taking into consideration matters such as the proposer’s integrity, compliance with public policy and laws, past performance, fiscal responsibility, trustworthiness, financial and technical resources, capacity, and experience to satisfactorily carry out its responsibilities. The County will notify any proposer found non-responsible and allow the finding to be contested.

3.9 CONTRACT AWARD

A. Notice of Intent to Award

Once a decision has been made to award a contract to one or more proposers, the County will post a Notice of Intent to Award, notifying the remaining proposers of their non-selection. The posting may be inclusion of the recommendation to award as an agenda item on the Board of Supervisors schedule.

B. Award Procedure

Contract negotiations are neither an offer nor an implicit guarantee that a contract will be executed. Award, if made, will be to the responsive, responsible proposer offering the overall best value to the County for the services and goods described in this solicitation, or as applicable, for a specific portion of the services and goods described. Any agreement reached will be memorialized in a formal agreement using the attached Standard Agreement template.

C. Commencement of Performance

After all parties have signed the Agreement, the County will notify the proposer and performance may proceed. Prior to County execution of the Agreement, no County employee may authorize work. Any work performed prior to that time may be uncompensated.

3.10 PROTESTS

Protests that do not comply with the protest procedures outlined below will be rejected.

A. Protest Eligibility, Format, and Address

(1) Protests or objections may be filed regarding the procurement process, the content of the solicitation or any addenda, or contract award.

(2) The County will only review protests submitted by an interested party, defined as an actual or prospective proposer whose direct economic interest could be affected by the County’s conduct of the solicitation. Subcontractors do not qualify as interested parties.

(3) Submit protests to Supervising Construction Project Manager by e-mail to tnewman@smcgov.org or via hard copy to: Tory Newman, Supervising Construction Project Manager, 555 County Center, 5th Fl, Redwood City, CA 94063

B. Protest Deadlines
Submit protests with any supplemental materials by 2 p.m. PST, as appropriate, on the deadlines set forth below. The date of filing is the date the County receives the protest, unless received after 2 p.m. PST, or on other than a Business Day, in which case the date of filing will be the next Business Day. Failure to file by the relevant deadline constitutes a waiver of any protest on those grounds. Supplemental materials filed after the relevant deadline may be rejected by the County.

(1) If relating to the content of the solicitation or to an addendum, file within five Business Days after the date the County releases the solicitation or addendum.

(2) If relating to any notice of non-responsiveness or non-responsibility, file within five Business Days after the County issues such notice.

(3) If relating to intent to award, file within five Business Days after the County issues notice of Intent to Award. No protests will be accepted once actual award has been made.

C. Protest Contents

(1) The letter of protest must include all of the following elements:
   (a) Detailed grounds for the protest, fully supported with technical data, test results, documentary evidence, names of witnesses, and other pertinent information related to the subject being protested; and
   (b) The law, rule, regulation, ordinance, provision or policy upon which the protest is based, with an explanation of the violation.

(2) Protests that simply disagree with decisions of the Evaluation Committee will be rejected.

D. Reply to Protest

The County will send a written response to the protestor and to any other party named in the protest.

E. No Stay of Procurement Action during Protest

Nothing in these protest requirements will prevent the County from proceeding with negotiations or awarding a purchase order or contract while a protest is pending.

3.11 PUBLIC RECORDS

(1) All proposals, protests, and information submitted in response to this solicitation will become the property of the County and will be considered public records. As such, they may be subject to public review.

(2) Any contract arising from this RFP will be a public record.

(3) Submission of any materials in response to this RFP constitutes:
   (a) Consent to the County’s release of such materials under the Public Records Act without notice to the person or entity submitting the materials; and
   (b) Waiver of all claims against the County and/or its officers, agents, or employees that the County has violated a proposer’s right to privacy, disclosed trade secrets, or caused any damage by allowing the proposal or materials to be inspected; and
   (c) Agreement to indemnify and hold harmless the County for release of such information under the Public Records Act; and
   (d) Acknowledgement that the County will not assert any privileges that may exist on behalf of the person or entity submitting the materials.
B. Confidential Information

(1) The County is not seeking proprietary information and will not assert any privileges that may exist on behalf of the proposer. Proposers are responsible for asserting any applicable privileges or reasons why a document should not be produced in response to a public record request.

(2) If submitting information protected from disclosure as a trade secret or any other basis, identify each page of such material subject to protection as “CONFIDENTIAL”. If requested material has been designated as confidential, the County will attempt to inform the proposer of the public records request in a timely manner to permit assertion of any applicable privileges.

(3) Failure to seek a court order protecting information from disclosure within ten days of the County’s notice of a request to the proposer will be deemed agreement to disclosure of the information and the proposer agrees to indemnify and hold the County harmless for release of such information.

(4) Requests to treat an entire proposal as confidential will be rejected and deemed agreement to County disclosure of the entire proposal and the proposer agrees to indemnify and hold the County harmless for release of any information requested.
