**Proposal Costs.** Costs for developing statement of qualifications are entirely the responsibility of the proposer and shall not be charged to the County or otherwise reimbursed by the County.

**Proposal Becomes County Property.** The RFQ and all materials submitted in response to this RFQ will become the property of the County.

**Questions and Responses Process.** Submit all questions relating to this RFQ to the designated questions field associated with this RFQ to zsinger@smcgov.org.

All questions must be received no later than 9/29/2016 by 5:00 p.m.

All questions and responses will be posted to [http://www.co.sanmateo.ca.us/portal/site/publicworks](http://www.co.sanmateo.ca.us/portal/site/publicworks).

If changes to the RFQ are warranted, they will be posted to the Public Works Site [http://www.co.sanmateo.ca.us/portal/site/publicworks](http://www.co.sanmateo.ca.us/portal/site/publicworks). It is the responsibility of each proposer to check the website for changes and/or clarifications to the RFQ prior to submitting a response. A proposer’s failure to do so will not provide a ground for protest.

**Alteration of Terms and Clarifications.** No alteration or variation of the terms of this RFQ is valid unless made or confirmed in writing by the County. Likewise, oral
understandings or agreements not incorporated into the final contract are not binding on the County.

If a proposer discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFQ, the proposer must immediately notify the County of such error in writing and request modification or clarification of the document. If a proposer fails to notify the County of an error in the RFQ prior to the date fixed for submission, the proposer shall submit a response at his/her own risk, and if the proposer enters into a contract, the proposer shall not be entitled to additional compensation or time by reason of the error or its later correction.

It is the obligation of all proposing parties to check the http://www.co.sanmateo.ca.us/portal/site/publicworks website for updates regarding the RFQ if they wish to be kept advised of clarifications prior to submitting a proposal.

**Selection of Consultants(s).** The selection of a consultant will be memorialized in the form of a “County Agreement with Independent Contractor” (see the enclosed sample of the Standard Contract Template), authorized by a resolution of the County Board of Supervisors and signed by both parties.

The County reserves the right to reject any or all statement of qualifications without penalty. The County’s waiver of any deviation in the proposal shall in no way modify the RFQ documents or excuse the proposer from full compliance with any eventual contract.

Once a consultants is selected, the Agreement with that consultants must still be negotiated and submitted to the San Mateo County Board of Supervisors for approval, and there is no contractual agreement between the selected consultants unless and until the Board of Supervisors accepts and signs the Agreement. Selection of a proposal for negotiation of contract terms and eventual submission to County leadership by way of an Agreement does not constitute an offer, and Consultants acknowledge by submission of a proposal that no agreement is final unless and until approved by the Board of Supervisors.

**Equal Benefits.** Contractor shall comply with all laws relating to the provision of benefits to its employees and their spouses or domestic partners, including, but not limited to, such laws prohibiting discrimination in the provision of such benefits on the basis that the spouse or domestic partner of the Contractor’s employee is of the same or opposite sex as the employee.
**Jury Duty.** The contractor must comply with the County Ordinance requiring that the contractor have and adhere to a written policy that provides its full-time employees who live in San Mateo County with no fewer than five days of regular pay for actual jury service in San Mateo County. This policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employee’s regular pay the fees received for jury service. See the Jury Service Requirements Chapter 2.85 of the Ordinance Code of San Mateo County enclosure. If the proposer has no employees that qualify for jury duty in San Mateo County, the proposer may satisfy this requirement by providing the County with written confirmation of the fact that (1) it has no such employees and (2) it will comply with the jury service pay ordinance with respect to any future qualifying employees.

**Insurance.** The County has certain insurance requirements that must be met. In most situations those requirements include the following: the contractor must carry $1,000,000 or more in comprehensive general liability insurance; the contractor must carry motor vehicle liability insurance, and if travel by car is a part of the services being requested, the amount of such coverage must be at least $1,000,000; if the contractor has two or more employees, the contractor must carry the statutory limit for workers’ compensation insurance; if the contractor or its employees maintain a license to perform professional services (e.g., architectural, legal, medical, psychological, etc.), the contractor must carry professional liability insurance; and generally the contractor must name the County and its officers, agents, employees, and servants as additional insured on any such policies (except workers compensation). Depending on the nature of the work being performed, additional requirements may need to be met.

**Incomplete Statement of Qualifications May be Rejected.** If a proposer fails to satisfy any of the requirements identified in this RFQ, the proposer may be considered non-responsive and the proposal may be rejected.

**Contact With County Employees.** As of the issuance date of this RFQ and continuing until the final date for submission of statement of qualifications, all Consultants are specifically directed not to hold meetings, conferences, or technical discussions with any County employee for purposes of responding to this RFQ except as otherwise permitted by this RFQ. Any proposer found to be acting in any way contrary to this directive may be disqualified from entering into any contract that may result from this RFQ.

Consultants should submit questions or concerns about the process as stated above. The proposer should not otherwise ask any County employees questions about the RFQ or related issues, either orally or by written communication, unless invited to do so.

**Group Purchasing Organization Participation.** Consultants should keep in mind that the County is a participant in more than one Group Purchasing Organization (GPO), and this RFQ is open to those who provide services under a GPO. Consultants should
ensure their statement of qualifications are as competitive as possible while also providing the highest quality services in order to be considered a viable consultants for the listed services. The County reserves the right to use a GPO consultants if doing so is in the County’s best interest, as determined solely by the County, even if that consultants does not submit a proposal in response to this RFQ.

**Travel Costs.** If the services requested will require you or your employees to travel to the Bay Area, and if the County opts to permit travel expenses to be reimbursed, there are some general guidelines regarding reimbursement rates that will apply. In general, the following restrictions should be kept in mind: reimbursement for the actual cost of lodging, meals, and incidental expenses (“LM&I Expenses”) is limited to the then-current Continental United States (“CONUS”) rate for the location of the work being done (San Mateo/Foster City/Belmont, California), as set forth in the Code of Federal Regulations and as listed by the website of the U.S. General Services Administration (available online by searching www.gsa.gov for the term ‘CONUS’); airline and car rental travel expenses (“Air & Car Expenses”) are limited to reasonable rates obtained through a cost-competitive travel service (for example, a travel or car-rental website), with air travel restricted to coach fares and car rental rates restricted to the mid-level size range or below; and certain other reasonable travel expenses (“Other Expenses”) such as taxi fares, parking costs, train or subway costs, etc. may be reimbursable on an actual-cost basis. You should not assume that the County will permit travel from the Bay Area to be reimbursed, and your proposal should include such travel costs if applicable. Travel costs should be minimized or eliminated in order for a proposal to be competitive.

**Miscellaneous.** This RFQ is not a commitment or contract of any kind. The County reserves the right to pursue any and/or all ideas generated by this RFQ. The County reserves the right to reject any and all statement of qualifications and/or terminate the RFQ process if deemed in the best interest of the County. Further, while every effort has been made to ensure the information presented in this RFQ is accurate and thorough, the County assumes no liability for any unintentional errors or omissions in this document. The County reserves the right to waive or modify any requirements of this RFQ when it determines that doing so is in the best interest of the County. Finally, the County may revise or clarify aspects of the required services after statement of qualifications are submitted by communicating directly to some or all of the consultants that submitted statement of qualifications.

**SECTION IV – REQUEST FOR QUALIFICATIONS PROCEDURE**

By submitting a proposal, each proposer certifies that its submission is not the result of collusion or any other activity which would tend to directly or indirectly influence the selection process. The proposal will be used to determine the proposer’s capability of rendering the services to be provided. The failure of a proposer to comply fully with the instructions in this RFQ may eliminate its proposal from further evaluation as determined in the sole discretion of the County. The County reserves the sole right to evaluate the contents of statement of qualifications submitted in response to this RFQ and to select a contractor, if any.

C. CONFIDENTIALITY OF STATEMENT OF QUALIFICATIONS

California Government Code Sections 6250 et seq. (the “California Public Records Act” or the “Act”) defines a public record as any writing containing information relating to the conduct of the public business. The Act provides that public records shall be disclosed upon written request and that any citizen has a right to inspect any public record unless the document is exempted from disclosure. The materials submitted in response to this RFQ are subject to the California Public Records Act.

Be advised that any contract that eventually arises from this RFQ is a public record in its entirety. Also, all information submitted in response to this RFQ is itself a public record without exception. Submission of any materials in response to this RFQ constitutes a waiver by the submitting party of any claim that the information is protected from disclosure. By submitting materials, (1) you are consenting to release of such materials by the County if requested under the Public Records Act without further notice to you and (2) you agree to indemnify and hold harmless the County for release of such information.

If the County receives a request for any portion of a document submitted in response to this RFQ, the County will not assert any privileges that may exist on behalf of the person or entity submitting the proposal, and the County reserves the right to disclose the requested materials without notice to the party who originally submitted the requested material. To the extent consistent with the Public Records Act and applicable case law interpreting those provisions, the County and/or its officers, agents, and employees retain discretion to release or withhold any information submitted in response to this RFQ.

Submission of a proposal constitutes a complete waiver of any claims whatsoever against the County and/or its officers, agents, or employees that the County has violated a proposer's right to privacy, disclosed trade secrets, or caused any damage by allowing the proposal to be inspected.

D. PROPOSAL EVALUATION

All statement of qualifications received will be evaluated by an RFQ Evaluation Committee. During the evaluation process, the County may require a proposer's representative to answer specific questions orally and/or in writing. The County may also require a visit to the proposer's offices, other field visits or observations by County representatives, or demonstrations as part of the overall RFQ evaluation. Once a finalist or group of finalists is selected, additional interactions or information may be required. The most qualified individual or firm will be recommended by the RFQ Evaluation Committee based on the overall strength of each proposal, and the evaluation is not restricted to considerations of any single factor such as cost.
Responses to this RFQ must adhere to the format for statement of qualifications detailed in Section V - PROPOSAL SUBMISSION REQUIREMENTS. The criteria used as a guideline in the evaluation will include, but not be limited to, the following:

- Qualifications and experience of the entity, including capability and experience of key personnel and experience with other public or private agencies to provide these services
- Proposed approach, including clarity of understanding of the scope of services to be provided and appropriateness of the proposed solution/services
- Customer service
- History of successfully performing services for public or private agencies
- Ability to meet any required timelines or other requirements
- Claims and violations against you or your organization
- Cost to the County for the primary services described by this RFQ
- References
- Compliance with County RFQ and contractual requirements

The County may consider any other criteria it deems relevant, and the Evaluation Committee is free to make any recommendations it deems to be in the best interest of the County. Inaccuracy of any information supplied within a proposal or other errors constitute grounds for rejection of the proposal. However, the County may, in its sole discretion, correct errors or contact a proposer for clarification.

Note that the County reserves the right to evaluate statement of qualifications solely based on each consultant's written submission. In relation to written materials, evaluation will be performed only on the material included directly in the proposal itself unless otherwise indicated or requested by the County. Your proposal must be complete without relying on external websites, sales brochures, marketing materials or white papers.

The County reserves the right to accept statement of qualifications other than those with lowest costs.

**E. PROPOSAL RECOMMENDATION**

The Evaluation Committee will recommend a consultants or consultant or may recommend that the statement of qualifications be rejected. The County will then make its own decision as to whether to accept or reject the recommendations from the Evaluation Committee. Ultimate acceptance or rejection of the recommended proposal and execution of a contractual agreement is the independent prerogative of the County, notwithstanding any recommendations made by the Evaluation Committee. The County reserves the right to negotiate with any consultants to finalize an agreement in relation to the proposer's response.
F. NOTICE TO CONSULTANTS
The County is not required to give notice to Consultants in any specific format or on any particular timeline. At some point prior to execution of a final agreement for the requested services, the County will notify those who submitted statement of qualifications of their non-selection. Consultants may be notified at different times depending on the needs of the County.

G. PROTEST PROCESS
If a proposer desires to protest the selection decision, the proposer must submit by facsimile or email a written protest within five (5) business days after the delivery of the notice about the decision. The written protest should be submitted to the Director of Public Works as outlined below. Protests received after the deadline will not be accepted. Protests must be in writing, must include the name and address of the proposer and the RFQ number, and must state all the specific grounds for the protest. A protest that merely addresses a single aspect of the selected proposal (for example, comparing the cost of the selected proposal in relation to the non-selected proposal) is not sufficient to support a protest. A successful protest will include sufficient evidence and analysis to support a conclusion that the selected proposal, taken as a whole, is an inferior proposal.

The County will respond to a protest within 14 business days of receiving it, and the County may, at its election, set up a meeting with the proposer to discuss the concerns raised by the protest. The decision of the County will be final. The protest letter must be sent as follows:

(D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor’s duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

b. Intellectual Property Indemnification

Contractor hereby certifies that it owns, controls, and/or licenses and retains all right, title, and/or interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and/or other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets (collectively referred to as “IP Rights”) except as otherwise noted by this Agreement.

Contractor warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third party. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party’s IP Rights provided any such right is enforceable in the United States. Contractor’s duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor’s expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County’s prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Contractor’s opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County’s reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor’s option and expense, either: (i) procure for County the right to continue using the services without infringement or (ii) replace or modify the services so that they become non-infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.
The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

8. **Assignability and Subcontracting**

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor’s coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days’ notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

   b. **Workers’ Compensation and Employer’s Liability Insurance**

   Contractor shall have in effect during the entire term of this Agreement workers’ compensation and employer’s liability insurance providing full statutory coverage.    c. **Liability Insurance**

   Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor’s operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

   - i. Comprehensive General Liability… $1,000,000

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

10. Compliance With Laws

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, and regulations, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement.

Further, Contractor certifies that it and all of its subcontractors will adhere to all applicable provisions of Chapter 4.106 of the San Mateo County Ordinance Code, which regulates the use of disposable food service ware. This Section applies only to contractors who are providing services to members of the public under this Agreement.

d. **Compliance with County’s Equal Benefits Ordinance**

Contractor shall comply with all laws relating to the provision of benefits to its employees and their spouses or domestic partners, including, but not limited to, such laws prohibiting discrimination in the provision of such benefits on the basis that the spouse or domestic partner of the Contractor’s employee is of the same or opposite sex as the employee.

e. **Discrimination Against Individuals with Disabilities**

The nondiscrimination requirements of 41 C.F.R. 60-741.5(a) are incorporated into this Agreement as if fully set forth here, and Contractor and any subcontractor shall abide by the requirements of 41 C.F.R. 60–741.5(a). Such notification shall include a general description of the circumstances involved and a general description of the kind of discrimination alleged (for example, gender-, sexual orientation-, religion-, or race-based discrimination).

Violation of the non-discrimination provisions of this Agreement shall be considered a breach of this Agreement and subject the Contractor to penalties, to be determined by the County Manager, including but not limited to the following:

i. termination of this Agreement;

ii. disqualification of the Contractor from being considered for or being awarded a County contract for a period of up to 3 years;
iii. liquidated damages of $2,500 per violation; and/or
