| Q2. Is the 35-page maximum inclusive of appendices, exhibits, and/or other attachments? | A2. The 35-page maximum does not include all appendices, exhibits and/or other attachments. The 35-page maximum does include the following:  
  - Cover Letter  
  - Table of Contents  
  - Summary of Submittal  
  - Information Regarding the Firm  
  - Legal name  
  - Contact information  
  - Org chart  
  - Other information pertinent about the firm related to their RFQ submission  
  - Identification of assigned staff  
    - Should identify those skills, experience, education, licenses of personnel and staff to be assigned to projects planned at both Airports  
  - Comprehension of the Services Requested  
    - A detailed description of the Respondent’s approach to providing the services requested in the RFQ  
    - Should demonstrate success in providing such services at similar Airports with examples of those projects including their size(s) and description(s) of those project(s)  
    - References  
    - Insurance |
| Q3. Should hard copy submissions be bound or unbound?                       | A3. We have no preference for bound or unbound hard copy submissions.                                                                                                                                   |
